Hubby's Carnitas

My wonderful hubby makes these mouthwatering carnitas on the weekends and we enjoy them for every meal for days on end!

Serves 4

Prep Time: 15 minutes

Cook Time: 3 to 3 1/2 hours

Ingredients:

- 3 to 5 pounds of boneless pork shoulder
- 1 teaspoon sea salt
- 1 teaspoon cumin
- 1/2 teaspoon black pepper
- 1/2 teaspoon chili powder
- 1/2 teaspoon dried oregano
- 1 bay leaf
- 4 garlic cloves, sliced
- 1 onion, chopped
- Dried chipotle peppers to taste
- Enough water to almost cover the meat

Directions:

Preheat oven to 350 degrees F.

Mix the spices and rub them on the meat. Place the meat in a covered pot. Add bay leaf, peppers, garlic and onion to the top of the meat. Pour enough water to almost cover the meat.

Braise for 3 to 5 hours, mixing the meat and turning it over every hour or so. When most of the water is gone and the pork turns a slight brown, you'll know the meat is done! The meat should be tender and easy to shred with a fork.

Enjoy with eggs and spaghetti squash hash in the morning, with a salad at lunch, and with veggies for dinner!

Hint: Can also be made in a slow cooker.
